**KUWAIT: National Assembly Speaker Marzouq Al-Ghanim receiving members of the Kuwaiti Society of the Disabled yesterday.**

**AL-RASHEEDI URGED TO EVALUATE CHARITY:**

Undersecretary Muneera Al-Fadhli of the Ministry of Health and Population has urged the Minister of Justice to evaluate the KUWAIT: National Assembly Speaker Marzouq Al-Ghanim receiving members of the Kuwaiti Society of the Disabled yesterday. Undersecretary Muneera Al-Fadhli of the Ministry of Health and Population has urged the Minister of Justice to evaluate the charity organizations in the country in order to tighten up their performances.

Sane added that the ministries included all of the violations committed by various charities as well as recommendations for their solution.

Sane said that the total amounts collected by fundraising campaigns in Ramadam were still being calculated through checking channels' receipt books used in collecting donations as well as the charitable bank accounts.

The ministry has no intentions to close up any violations; he underlined, pointing out that such violations would negatively affect the KUWAIT: National Assembly Speaker Marzouq Al-Ghanim receiving members of the Kuwaiti Society of the Disabled yesterday. Undersecretary Muneera Al-Fadhli of the Ministry of Health and Population has urged the Minister of Justice to evaluate the charity organizations in the country in order to tighten up their performances.

KIA: Chief Executive Officer of Kia Motors Corporation, Manfred Wiesemeyer, said: "The KIA First of Strategic Planning Global Partnership with the Mayor of London, Andrew Bax, is a testament to our commitment to global cooperation and innovation."

"This partnership with the Mayor of London will allow us to explore opportunities for collaboration in the automotive sector and contribute to the sustainable development of London."

Bax stated: "The Mayor of London welcomes the opportunity to work with Kia Motors on creating a better future for London’s residents. We are committed to making London a global centre for innovation and sustainability and this partnership aligns perfectly with our vision for the city.”

**KUWAIT:**

**The Lord Mayor of London, Sir Alan Yarrow, today hailed Kia Motors (UK) as having contributed to the future of car-making in the capital, following the company’s investment of more than £500 million in its plant in the city.**

"Kia is a testament to the ongoing transformation of the automotive industry in London. By investing in new technologies and sustainable practices, Kia is not only creating jobs in the capital, but also setting new standards for the future of car-making."

"This investment demonstrates Kia’s commitment to the City of London and its people, as well as its dedication to shaping the future of the automotive sector. Kia’s success in London is a testament to the city’s resilience and innovation, and I am confident that it will continue to be a leader in the global automotive industry."
