Has Britney Spears got married again?

Britney Spears and her former guitarist, Sam Asghari, seemed to have taken their relationship to the next level recently, as they were spotted out and about in Los Angeles, seemingly enjoying each other's company. The pair were seen walking hand in hand, and later shared a kiss at a restaurant. Britney, who has been involved with a number of high-profile relationships in the past, including a brief marriage to Jason Trawick and a long-term relationship with her ex-husband Kevin Federline, appeared to be very happy and in love with Asghari. The couple has been dating since 2016, after meeting through mutual friends at a party. They have been very public about their relationship, often sharing sweet moments on social media.

Cameron Diaz still struggles with junk food

The 40-year-old star and her fiancé, chef David Burtka, are planning to tie the knot later this year, and sources close to the couple say that Diaz is still struggling with her junk food cravings. Despite her best efforts, Diaz has admitted to struggling with her weight and fitness goals, and has been seen in public on several occasions indulging in her favorite junk foods, such as pizza and fries. Diaz and Burtka, who met on set of the 2005 film "My Sister's Keeper," have been together for over 10 years, and have two sons, eldest son Rocco, 7, and sonрев Raddston, 4. The couple have been open about their relationship struggles, and have previously spoken about Diaz's fight against her weight issues.
