KUWAIT: Two children were killed and their mother and two other siblings were injured in an accident reported Friday at the Kadab Road crossing in the town of Kadab. Police and paramedics at the scene the accident, which occurred around 4:30 am, reported that two kids, a nine-year-old boy and three-year-old girl had already succumbed to their injuries. Their two other brothers, a seven-year-old boy and a three-year-old girl, were admitted inside the intensive care unit.

Bedoon dead

A man died and another was critically wounded in an all-terrain-vehicle (ATV) accident reported Wednesday at the Kadab Road. The victim, 24-year-old Beduoon, was pronounced dead on the scene by paramedics at the scene.

Gas leak poisons Farwaniya tenants

KUWAIT: Preliminary investigations revealed that the two sulfuric gases clouded an unoccupied gas pipeline at the Farwaniya Hospital. Criminal investigations are ongoing to identify and arrest a criminal group.

Two women hospitalized after they passed out inside their apartment from toxic gas inhalation. The incident took place in Farwaniya this morning, where a gas leak from a gas pipeline in the area entered the apartment in response to an emergency call. They found the 74-year-old Palestinian woman and her 13-year-old daughter unconscious and rushed them to the Farwaniya Hospital where they were admitted inside the intensive care unit.

Gas leak, explosion in Al Qaraa

A child underwent an emergency procedure at the Jahra Hospital to reattach her finger that was amputated in a gas leak explosion. Internal bleeding and head wound. Criminal investigations are ongoing to identify and arrest a criminal group.
