**How Will Manziel Fare in the NFL Draft?**

HOUSTON, Texas — And now comes the great leap to the NFL for Johnny Football. Johnny Manziel, a Heisman Trophy winner and Heisman finalist, will make his decision about his future on Thursday, when the first round of the NFL draft begins.

But questions abound about the quarterback’s skills and hard-partying habits. What opinions can you rely on before he lands in draft night.

Several are said to be interested in taking a look at him as a player, he may face obstacles.

When you’re dealing with a high-profile position like quarterback, every move is scrutinized.
