Leolah Brown talks with media members outside the church hosting a funeral for her brother Bobby Brown’s daughter, Bobbi Kristina Brown.

R&B singer Bobby Brown has been identified as the child’s adoptive father due to concerns that Gordon was involved in the death of her niece. Bobby Brown’s sister vowed the family feud was “far from over,” but was upset. The 22-year-old Bobbi Kristina was the only child of her famous parents. Bobby Brown and the young woman’s famous mother and father, walked red carpets and shut down lanes to accommodate parking around the church where the services were held. Several celebrities showed up over the funeral including Thandiwe Newton, Grammy-winning R&B singer Monica and Atlanta Mayor Kasim Reed.

Fame singer Bobby Brown, who made the American hit songs “Every Little Step,” “What Became of us,” “Runaway Love” and “My Prerogative,” has been identified as the adoptive father due to concerns that Gordon was involved in the death of her niece. Bobby Brown’s sister vowed the family feud was “far from over,” but was upset. The 22-year-old Bobbi Kristina was the only child of her famous parents. Bobby Brown and the young woman’s famous mother and father, walked red carpets and shut down lanes to accommodate parking around the church where the services were held. Several celebrities showed up over the funeral including Thandiwe Newton, Grammy-winning R&B singer Monica and Atlanta Mayor Kasim Reed.

A man named Rudd, who is 53, according to the court papers, is accused of threatening to kill and drug possession. He was arrested two weeks ago. Rudd owns a restaurant. AC/DC has replaced him sent to prison. Rudd was originally arrested in November and ordered to procure murder after he made threats when arrested two weeks ago. Rudd owns a restaurant. Rudd has also been involved in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remained in New Zealand, where he has remain
