**WHY IS VIOLENCE RISING?**

Doctors point to several factors behind the rising violence in Bangladesh, with experts saying the situation is a worrying phenomenon. One reason is the growing radicalization of the Islamist groups, which has led to an increase in militants' activities. Another factor is the growing influence of India and Pakistan, which has complicated the situation.

**TROOPS, KASHMIRI PROTESTERS CLASH AS REBEL KILLED**

Tens of thousands of people defied curfew on Sunday to march through the streets of Srinagar, the summer capital of Indian Kashmir, to protest against the killing of a top rebel commander. The Indian army said the commander was killed in a gun battle with soldiers. The killing has sparked protests across the region, with thousands taking to the streets to demand justice and an end to violence.

**WHAT'S BEHIND THE RISING VIOLENCE IN BANGLADESH?**

Bangladesh has been battered by a series of violent attacks in the past three months that have left hundreds dead. The government says it was the first country to be targeted by the Taliban and that it is planning to increase security measures.

**MODI MARKS GANDHI'S HISTORIC SOUTH AFRICA RIDE**

Indian Prime Minister Narendra Modi visited South Africa last week to mark the historic railway journey of Mahatma Gandhi, who arrived in the country in 1893 as a lawyer. Modi said in his speech that the journey was a symbol of India's contribution to the world.

**DHAKA CAFE SURVIVORS DIES AFTHER TERROR ATTACK**

A Bangladeshi teenager who survived a deadly attack on a Dhaka hotel has died. The teenager, who was a waiter at the hotel, was attacked by militants on Friday, and he later died from his injuries. The hotel attack was a prelude to a series of terrorist attacks that have plagued Bangladesh in recent weeks.
