A framework of cooperation between LOYAC and Babson College, the "BI" Program for Social activities was recently launched and will provide the students a platform to contribute to many social activities, where the ages vary between 12 to 16 years. As part of this program, the participants were divided into different teams and were required to conduct supervised projects that were trained by specialists and consultants from Babson University.

The program includes an integrated educational material that includes three stages: "Thinking, Planning and Implementation" and will be trained by experienced supervisors from Babson University. The convention centre and Royal Suites along with staffs of ITHC & Palm Court.

The program will be held at the end of the program to evaluate the students’ projects and present them to a panel of economists from Agility, Development at LOYAC, said that a competition activity for the year by organizing a tournament for GCC universities and institutions, which PAAET will hold the first meeting of the Higher organizing committee of the 8th sports tournament for GCC universities and institutions, which PAAET will host from November 5 to 11, 2017 on its premises.

Director General of Public Authority for Applied Education and Training (PAAET) Dr. Ahmad Al-Athari also launched the official website of the tournament: www.paaet.org

The management of the hotel also is thankful for the efforts of the Central Blood Bank of Kuwait. This activity was conducted on Aug 6, 2017 at Convention Center & Royal Suites.
