KIPCO inaugurates Hessah Al-Mubarak District Pavilion

KIPCO - the Kuwait Projects Company Holding - on Saturday, inaugurated the Hessah Al-Mubarak District Pavilion, the sales center for people who wish to become part of the Centre of Urban Living. The event was hosted by KIPCO’s Vice Chairman (Executive), Faisal Al-Ayyar, and was attended by senior government officials, representatives of the private sector and investors.

The event featured a presentation by the Executive Director of Hessah Al-Mubarak District, Thomas Barthlett, who revealed the components of the master plan developed: residential, commercial, offices, service apartments, retail, food and beverage, as well as public spaces and parks. He said that 70 percent of the built up area has been allocated for residential apartment buildings.

The master plan includes six distinct residential zones: The Waterfront Zone (12 plots), The Compounds (12 plots), Central Park (17 plots), Courtyard Residence (7 plots), Mini-Best Residence (13 plots), and Avenue Residence (9 plots). There are also 10 plots that mark a modern and exclusive residential neighborhood for high-income residents.

The Hessah Al-Mubarak District is Kuwait’s first comprehensive, mixed-used neighborhood developed by the private sector. As part of their pledge to the Kuwaiti community, KIPCO is the first private sector company to independently lay infrastructure for a project. As part of our pledge to offer our residents and visitors an elevated experience, we have allocated over 50 percent of the master plan area for parks, open areas, and other facilities.

“The pavilion is the centerpiece of the master plan, and the development’s unique business destination,” said Tawfiq Al-Jarrah, Director of Hessah Al-Mubarak District, who highlighted the components of the master plan developed for the district.

KIPCO – the Kuwait Projects Company Holding – is a leading development company actively engaged in the public and private sectors, with operations throughout the Middle East and Africa. The company is comprised of KIPCO – the Kuwait Projects Company Holding – and its group companies.

KIPCO and its group companies will be developing two high rise towers, 20 low rise buildings, a service apartment building, 1 office building, two gyms, as well as seven retail and F&B units. The Hessah Al-Mubarak District Pavilion is located at the development in Dipsa, on Gulf Road opposite Green Island. The pavilion is open to visitors who wish to learn more about the district.

The American University of Kuwait’s Board of Trustees holds its 22nd Biannual Meeting

The American University of Kuwait (AUK)’s Board of Trustees held its 22nd Biannual Meeting on April 23, 2017. The meeting was convened at the Bank’s Jleeb Al-Ahli Branch.

The Board of Trustees is AUK’s governing body. The Board is self-perpetuating and self-governing. The current Board is composed of 8 members, in addition to the University’s President and the Dartmouth College Relationship Coordinator (Director) as ex-officio members. The Board of Trustees meets twice a year in the University’s Sabri Campus.

The American University of Kuwait (AUK)’s Board of Trustees held its 22nd Biannual Meeting on April 23, 2017. The meeting was convened at the Bank’s Jleeb Al-Ahli Branch.

At the meeting, the Board was updated on the recent developments at the University and discussed future plans for AUK. The meeting was also the first to be attended by Dr. Tim Sullivan in his role as the newly appointed President of AUK, who had previously served as Interim President in 2010 and was a voting Board Member prior to present.

Shadia Dana, the Chair of the Board of Trustees, opened the meeting by welcoming the attendees to the 22nd Biannual Meeting and expressing the Board’s appreciation for the contributions of the University and the Dartmouth College Relationship Coordinator (Director) as ex-officio members. The Board of Trustees meets twice a year in the University’s Sabri Campus.
