Madonna to perform at Eurovision Song Contest in Israel

The superstar Madonna will make a guest appearance at the Eurovision Song Contest in Israel, the festival’s first ever host country outside Europe. Madonna, 62, is a staunch supporter of the contest and has performed at Eurovision on four previous occasions. In her role as a Eurovision host, Madonna will perform a fusion of her iconic music and dance routines, blending elements of rock, pop, and electronic music. The performance is expected to be a highlight of the contest, which will take place in Tel Aviv on May 14 and 16. Madonna’s appearance is a nod to the festival’s effort to attract global artists and promote diversity in its programming.
