**Huawei Region’s 5G ecosystem growing faster than expected**

**DURAI** - Huawei’s leading global provider of information and communications technology (ICT) infrastructure and smart devices recently hosted 10 ICT industry leaders and solution providers from the Middle East and globally, at the 5G Ecosystem Partner event in Dubai. The event showcased Huawei’s comprehensive 5G ecosystem and agenda, in addition to publishing the development of different industries and sectors in the region.

“5G is a game changer. Huawei will work with ecosystem partners on Cloud X solutions (Cloud VR & Cloud Gaming), and vertical industry applications (Cybersecurity & Protecting Data).” said An Jian, President of Carrier Network Business Group, Huawei Middle East. “We have planned to co-locate at the SAMENA Leaders’ Summit, SAMENA. As 5G is ON, we aim to participate at the 5G is ON forum in Kuwait, where we included high-level leaders’ participation from GCC countries. We have started 5G deployment. I believe that it’s a win-win situation for everyone.”

**The 2019 Lincoln MKC - What color expresses your personality best?**

**KUWAIT** - Have you ever stopped to look at the cars in Kuwait? What you will see is a virtual sea of white, such as Infinite Black Metallic. If you are looking for something sensitive, a touch of an introvert - mysterious, even. Attracted to one of the 2019 Lincoln MKC’s new colors, you might be an artistic and empathetic person who perceives color, to recognize purple from orange and pink, so it’s no wonder that our reaction to the shades we see around us is so attached to deep roots, and as a result of Lincolns’ new color palette, the MKC and the Continental offer a variety of sophisticated, and individual shades, responsible and traditional shades that bespeak versatility, and the, a subtle range of new color options available on the 2019 MKC. The new MKC comes in a variety of color options. If you are looking for a subtle touch to your vehicle, the MKC is the brand for you. It offers a wide range of colors and finishes that can suit your personal taste. The new MKC comes in a variety of color options, melt into the background and are a subtle touch to your vehicle. **KUWAIT** - Turkish Airlines hosts 8th Annual Awards ceremony in Kuwait

**KUWAIT** - Turkish Airlines recently hosted its 8th Annual Travel Agencies’ Awards ceremony to honor the dedication of the local travel agencies, who play an instrumental role in the passenger flux throughout 2018. The ceremony was held at the Millennium Hotel and Convention Centre, Kuwait, towards the annual visitation of local dignitaries, corporate partners, employees, media, and other key stakeholders. Celebrating significant performance, 14 agencies received prizes of appreciation for the success achieved in 2018. The ceremony was opened with an introduction by Anj Barwa, General Manager, Turkish Airlines in Kuwait, as “We enter the next phase of our ambitious growth strategy, we remain committed to strengthening our collaboration with all of our travel agencies partners, who are so key to our success. As Turkish Airlines rests its wings and looks towards the inspiration of the much anticipated new slate of its product offering to the entire world, it is our utmost priority to serve our valued travel agents, and comfort through unique offerings and services continuously offered to drive us forward.”

“Today we see from travelers from Kuwait turb in all time high, there are currently 4 flights daily from Kuwait City to Istanbul. It is worth noting that Turkish Airlines’ main airport in Istanbul is the largest in the world. This year, the number of passengers is estimated to reach 200 million, and Turkish Airlines continues to increase its flight frequency.”
