STAR TRACK

Aries (March 21-April 19)

This is a great time for your close relationships. They seem to take on more emotional depth, power, and mean more to you now. You are finally starting to realize you need the support of those closest to you for you to thrive. No one should take on as much responsibility as you attempt to handle on your own. Remember to be humble. It is ok to ask for help and to admit you can not do everything on your own. This is a difficult thing for you to do, due to the desire you have to be totally independent. No man is an island.

Taurus (April 20-May 20)

You have always had a soft heart. There is a special place in your heart for children. You seem to be drawn to their innocence. Today you may find the opportunity to spend some special time with a child who is special to you. This is a great opportunity to spend use some of your creative energy to express your feelings. An art project with this child would be a wonderful way to spend your time this evening. Nothing compares to time spent with a child with a paintbrush in their hand. You may see an undeniable sense of admiration in the eyes of this child. Little things mean a lot to little ones.

Gemini (May 21-June 20)

You are able to see what future brings very clearly now. You can see the road ahead and you are ready to move forward. You are able to make clear decisions and things really seem to be falling into place for you. Progress at this time is easy. You may feel invincible. Be careful not to bite off more than you can chew now. You tend to be overconfident and not put much thought into your decisions. You are very optimistic and may find yourself taking chances you would usually refrain from taking. You may spend much time exploring your emotions and this could be a time you get in touch with your roots and find purpose in your life.

Cancer (June 21-July 22)

A need to be respected seems to be a very emotionally charged issue in your life. You will not settle for anyone to treat you any other way. They can either treat you with respect or they have no place in your world. It seems you have a knack for not only organizing things but also organizing the people around you. You are able to put each person into the position they will be most productive. This does not go unnoticed in the workplace. It seems as if your upper management may have their eyes on you. You exhibit management qualities and may soon find yourself offered a new position or you may be asked to lead a new project. Shoot for the stars.

Leo (July 23-August 22)

Your independence is not always looked at with envy. At times others feel as if you may think you are above them. They see it as an insult that you refuse to include them in your projects and exclude them from the decision making process in the work place. We are all surrounded by someone who looks for reasons to be offended. These are not the most pleasant people to have in our lives. Do not take offense to their attitude. Instead push on and do your thing.

Virgo (August 23-September 22)

Contrast is evident in your life today. That's doesn't have to mean conflict. There is a difference. Cultivate your fun-loving, romantic side. But, don't ignore your uncomfortable, needy feelings. Your insecurities make you more compassionate toward those who are looking for comfort. They will find you reassuring. You will bring peace into the lives of others today.

Libra (September 23-October 22)

Love and expressing all the deep emotions you have for others becomes very important to you. You may be feeling a need to be needed. Never doubt that you are. You may find yourself in deep appreciation of everyone and everything around you. You are able to find beauty in every situation and in everything that surrounds you. This is time in your life filled with love and others are drawn to your loving ways and kind heart. Be careful today, as all around you becomes so appealing. You may want steer clear of the mall to resist the urge to bring all that catches your eye home with you, Libra, a shopping spree could not only find you loving all you see, but also wanting to bring home everything you see!

Scorpio (October 23-November 21)

The sky is the limit. You feel unstoppable. It seems you are deep in reflection and past experiences are helping you deal with your present circumstances. You may realize there is someone in your life you need to forgive in order to be able to move forward. You're experiencing a more sensitive side and putting more thought into seeing things from other people's point of view. This helps you understand those close to you better and helps dissolve boundaries that have been standing in your way.

Sagittarius (November 22-December 21)

You may feel as if the sky is the limit today. There are no limits to what you can accomplish when you set your mind to it. Focus and determination are your friends today. You are optimistic and have faith in yourself and your abilities. You may find this to be a great time to explore your emotions and feelings. You may be feeling some sort of restlessness. An emotional experience, a sort of divine wanderlust is what you crave.

Capricorn (December 22-January 19)

This may be a great day to enjoy a good book or catch a movie. An escape from reality may be just what you need. This could clear your mind and leave you feeling refreshed and rejuvenated. You feel your most secure when surrounded by friends. You may be feeling a real need for a change in your life. You may feel as if you want to throw out the old and bring in the new. You have had this on your mind for a while and today seems the day you really begin to act on it. It seems a change in the right direction may bring great reward into your life. You will send enjoy world you have no desire to escape from.

Aquarius (January 20- February 18)

This is a great time of understanding in your world. You could find yourself really enjoying a special time with someone you love. Your world is full of love, optimism, and faith. What a wonderful time full of wonderful feelings! You may feel led to take a chance on a deep emotional level. This risk could bring great reward into your world. This is a time you are truly exploring your feelings, you are experiencing a new emotional experience. This is a wonderful feeling and a wonderful time in your life. You are ready to experience all the world has to offer you.

Pisces (February 19-March 20)

Things really seem to be going your way. You find this a time you are filled with appreciation. You can truly enjoy your life situation now. Your senses are heightened. Your taste is impeccable. You will be able to use this to your benefit in any decorating you do or any purchases you make now. You may find others seek your opinion in many aspects of their own life. If anyone is trusted to make the right choices and right decisions, it is you.
