# NBK participates in NUKS annual orientation event

National Bank of Kuwait (NBK) is committed to supporting the youth of Kuwait in a belief of the role they will have in building a better future. The bank continues to support initiatives that target their growth and development such as the Annual orientation event held for students who were accepted in scholarships to study in the United States and which is organized by the National Union of Kuwait Students (NUKS) - United States Chapter and held under the patronage of the Minister of Education and Higher Education, Dr Hamed Al-Aazmi.

The meeting was attended by a large number of students who were given an overview on NBK's banking services which will benefit them during their studies, as well as the latest transfer alternatives and payment systems that were designed to fit their lifestyle. Students positively engaged in the discussions that responded to their queries about various requirements such as accommodation, living conditions, laws and regulations they need to be aware of, as well as the teaching systems and skills they are expected to acquire.

Commenting on the bank's ongoing support of NUKS, General Manager of Consumer Banking Group, National Bank of Kuwait Mohammad Al Othman said, "NBK continues to lead in providing the necessary support to Kuwaiti students abroad and the youth segment in general. This comes as part of our ongoing investment in serving every segment of the society and providing them with services and products that cater to their lifestyles and evolving needs."

Al Othman affirmed that NBK is the only Kuwaiti bank to be present in the United States through its New York branch which is

part of its large network of branches, representative offices and subsidiaries located in major business and financial capitals around the world. He added: "We have carefully listened to the concerns of our young customers, the challenges they may face, and the services that the bank can provide them with to facilitate their daily financial transactions. We assure them that we at NBK always place their well being and banking aspirations ahead of our priorities."

Among the many benefits and services offered to students are the toll free numbers, advantageous features offered by the prepaid cards, as well as the US Dollar prepaid card which can be reloaded by the family of the student. NBK gives students access to its services through toll free numbers when calling from outside of Kuwait to assist and respond to their banking inquiries. These numbers are available free of charge and around the clock in nine of the most popular travel destinations which comprise: United States, United Kingdom, Canada, France, Germany, Turkey, Italy, Spain and UAE.

NBK's toll free number in the United States is 1-885-577-7625. The bank can also be contacted by the NBK WhatsApp number +965 1801801 which is also available around the clock. NBK Services are as well available at the convenience of customers through NBK Mobile Banking and NBK Online Banking. NBK provides its banking services to customers worldwide thanks to its large network which covers four continents. The bank is present in leading financial centers including Geneva, London, New York, Paris, Shanghai and Singapore, as well as regionally in Bahrain, Egypt, Jordan, Iraq, Lebanon, Saudi Arabia, Turkey and UAE.

## French School of Kuwait achieves outstanding results

The French School of Kuwait announced that it had achieved 95 percent success in the French Baccalaureate well known for its demand on the academic performance. 66 percent of candidates received an honorable mention or very honorable: Three candidates received special con-

gratulations from the jury due to an average of more than 18/20. More than that most of our students could enter the most prestigious universities and schools around the world, in France of course, but even in other countries for studies followed through French, English or Arabic languages.

## Burgan Bank holds summer workshop

Keeping up with the latest creative interests of the community, Burgan Bank has collaborated with Floward, a premium flower and gifts store, by holding a free workshop for its Youth Account holders. Ensuring its vibrant youth segment are met with diverse, modern trends and prefer-

ences, the innovative workshop was conducted at the Residence Inn by Marriott in Kuwait City. Three workshop sessions were organized due to high demand from youth customers especially since it's during the summer vacation.

The youth account is dedicated for young individuals, between the ages of 15 to 25 who seek to attain a successful future. Account holders receive an instant KD 50 upon student allowance transfer and while also receiving a free prepaid MasterCard and an ATM card which entitles them to discounts at selective merchants thus insuring innovative and one of a kind services for its customers.

LOYAC recently hosted a conclusion ceremony and exhibition for its 'Loyac Jr' program at its headquarters. During the ceremony, children were given the chance to showcase their arts and other works they've done during the summer program.
