The Qatar-based telecommunications provider posted one of the strongest gains of the year and has now been listed in the Telecoms 300 report as its outlook worsens. Ooredoo Group’s total brand value has grown from $3.8 billion to over $10 billion, and it is now one of the most widely recognized communications brands in the world.

Ooredoo Group is the fourth of its kind this year, and we are proud our efforts are acknowledged by the industry analysts in this way.”

In 1961, including an ongoing complete digitalization process, and significant investment in being made in network, content, and innovative technology. We aim to become data driven, with the “data for all” philosophy, and to bring the benefits of the digital age to every community, enhancing people’s digital lives and ensuring everyone has access to the tools to connect, to communicate, and to succeed.
